HISPANIC NATIONAL BAR ASSOCIATION
MULTI-LEVEL MENTORING PROGRAM
Arizona State University

Welcome to the HNBA mentoring program for those interested in the law. We especially value your participation as the representatives in the program from high school. Please complete an application at the HNBA Mentoring website www.law.asu.edu/hnba and then have a parent or guardian sign and return the bottom of this form.

On your team will be one or more lawyers, law students, and pre-law undergraduates, all sharing your interests in some way. Don't be shy. Ask them for advice and guidance; that's the purpose of the mentoring program.

You'll find that team activities will range from purely social gatherings – to talk about higher education and lawyering – to law firms tours, or a visit to ASU, or even visits to courts. We realize that you may not be able to attend events that conflict with your school day, but we hope that you can make a great effort to attend other events. You are important to our program!

The involvement of a parent or parents of our high school members is important to us. At the least, we need a parent or guardian to sign a permission slip to show permission for you to participate. Beyond that, we hope that a parent or parents can accompany you to mentoring events, so that they can confirm the value of the program for you. So, please invite them to mentoring events and inform your team when they can attend.
