*Karl R. Wetzel, Esq.* Vice President/Director for E-Discovery Services at eDISCOVERY, LLC.

After twenty years as a litigator in the public and private sector, Karl directed his focus to the areas of electronic discovery and litigation support. For the past 7 years Karl has consulted with corporations and law firms in implementing best practices and process matrix in response to electronic discovery requests and government subpoenas.

Karl also advises on legally defensible protocols, establishing litigation readiness protocols, and monitoring litigation hold processes for corporations to solve critical challenges in the areas of electronic discovery, records management and litigation support.

Karl has acted as Court appointed Special Master and E-discovery Coordinator, as well as designated 30(b)(5) witness for corporate clients.
