

LODESTAR MEDIATION CLINIC

The Lodestar Mediation Clinic, an integral component of the nationally recognized Lodestar Dispute Resolution Center, provides students the opportunity to learn about alternatives to litigation while gaining practical experience about the mediation process. Student attorneys experience an intensive training program focusing on the theory, strategy and skills involved in the mediation of legal disputes, then act as mediators in civil (non-family) cases.

Course Information:

Credits: 4 graded credits

Enrollment: Limited to six students

Background check per Maricopa County Justice Court regulations required.

Act as neutral third parties who help Justice Court litigants attempt to resolve their matter before trial.

Shadow/co-mediate with professional mediators.

Time Commitment:

Students must attend a three-day pre-semester training program.

Students must block out two 4 hour time periods during the week for mediation sessions - one must be in the morning.

Classes meet twice weekly.

A minimum of 180 clinic hours during the semester
